You acknowledge that, notwithstanding anything contained in any or all of this Agreement (which includes the Annex(es), Operating Guide, attachment(s), schedule(s) or supplement(s) referred to herein or amendments to any of the aforesaid) to the contrary, FCL’s obligations hereunder shall be limited to the sponsorship and settlement of certain Card transactions submitted in accordance with the terms and conditions of this Agreement and the Card Organization Rules, and FCL shall not have any obligation or liability of any nature in connection with any related services or any services of any kind provided by FCL or its affiliates provided hereunder or pursuant hereto.

ARTICLE I. Relationship Administration

1. Exclusive Provider. You agree that during the initial and any subsequent renewal terms of your Agreement, you will use FCL as your exclusive provider for authorization, processing and settlement of card transactions undertaken in all of your location(s) in Canada, and all other activities necessary for us to perform the functions specified in the Agreement (collectively, the “Services”). Subject to the Card Organization Rules (as defined in section 3), the Services may be performed by our affiliates and/or service providers. In addition, one or more of our affiliates and/or service providers will assist in providing terminals or other equipment, terminal financing and local support functions in connection with the Agreement.

2. Payment Account Requirements. You agree to establish three accounts to enable us to provide the Services to you: (i) your Current Account, as defined in section 2.1, will be where we transfer your Settlement Funds, as defined in section 2.7; (ii) your Settlement Fund Account, as defined in section 2.7, will be where we maintain your Settlement Funds, prior to transferring them to your Current Account; and (iii) your Reserve Account, which you agree to fund, all as described below in section 2.10.

2.1. Current Account. You agree to establish an account at a financial institution of your choosing, to be debited and credited by us for: (i) provisional funding of your card transactions; (ii) your Merchant Processing Rate, as defined in section 18; (iii) your Chargebacks, as defined in section 10; and (iv) any other charges, fines, fees, penalties, payment of current or past due amounts for equipment rental or purchase, Card Organizations fees, costs arising from replacement or damage to equipment, and other amounts due in connection with an Event of Default, as defined in section 23.3, or other charges assessed by us, the Card Organizations, network operators and others as pertains to this Agreement (your “Current Account”). Establishing your Current Account requires that you provide us with a cancelled cheque (or letter from your financial institution) and take all steps required by your financial institution to allow us to debit/credit your Current Account on a recurring basis, for the purposes set forth below (the “Authorization”),

including consenting to the disclosure of any relevant information contained in your Agreement for purposes of obtaining the Authorization.

2.2. Pre-Authorization. Your financial institution’s treatment of each debit shall be the same as if you had issued a cheque authorizing it to pay as indicated and to debit the amount specified to your Current Account. You confirm that this means, your financial institution is not required to verify that a pre-authorized debit has been issued in accordance with your instructions or that some pre-condition to payment has been met or satisfied.

2.3. Card Organizations. You agree that if any payment is dishonored by your financial institution, for any reason, we shall issue another debit in substitution for the dishonored debit until such debit is honored. You acknowledge that this authorization to debit/credit your Current Account is provided for our benefit and your financial institution and is provided in consideration of your financial institution agreeing to process debits against your Current Account in accordance with the rules of the Card Organizations. You will be charged a fee for each credit and debit, which cannot be processed (an “NSF Fee” as described on your Form), and all subsequent funding may be suspended until you notify FCL that credits and debits can be processed or you provide a new Authorization (from your then current financial institution). Your financial institution must be able to process and accept credits and debits electronically.

2.4. Notice For Non-recurring Debits. You waive the right to receive any notice, written or otherwise, from us of the amount to be debited and the date(s) on which such debits are to be processed, as well as notice of any and all future changes to the amounts or payment dates for regular recurring debits. However, for debits other than regular recurring debits and/or one-time payments owing in connection with this Agreement, we will obtain your authorization prior to initiating any such debit.

2.5. Authorization Revocation. You may cancel your Authorization at any time by providing written notice to FCL, which shall be effective five business days [a day, other than Saturday or Sunday, on which banks in Ontario are generally open for business (a “Business Day”)] after receipt. To obtain a sample cancellation form, or for more information on the right to cancel this Authorization, you understand that you may contact your financial institution or visit www.cdnipay.ca. This Authorization applies only to the method of payment, however you agree that revocation of this Authorization is considered an Event of Default as set forth in section 24.3. This Authorization may be discontinued by us at any time and without notice to you. You confirm that the debits authorized hereunder are for business purposes.

2.6. Merchant Recourse. You can contact us at the address or phone number below, to make inquiries, obtain information or seek any recourse rights. You understand that you have recourse rights if any debit does not comply with this Authorization. For example, you have the right to receive reimbursement for any debit that is not authorized or is not consistent with this Authorization. To obtain more information on your recourse rights, contact your financial institution or visit www.cdnipay.ca.

2.7. Settlement Funds. Subject to our rights under this Agreement, all settlement funds received from Card Organizations and owing to you pursuant to this Agreement (the “Settlement Funds”) will be held by us until transferred to your Current Account in accordance with Section 9 (the “Settlement Funds Account”). Such funds will not constitute a deposit with us, will bear no interest, charges or fees, nor will be eligible for insurance with Canada Deposit Insurance Corporation.

2.8. Entitlement to Funds. You are entitled to funds in your Settlement Funds Account, once we transfer them to your Current Account. As permitted by law, we may, from time to time combine, consolidate or merge any or all of your funds and other accounts; and set off, apply or transfer any and all such sums standing to satisfy any debt or liability that you owe us, including any debt or liability incurred to effect any required currency conversions.

2.9. Settlement Funds Information and Service Providers. FCL may record or store information related to your Settlement Funds and Settlement Funds Account in any form or by any means as we see fit and are under no obligation to retain original documents, instruments or vouchers other than those belonging to you, which you have entrusted to us pursuant to the provisions of the Services contemplated in your Agreement. We may use services provided by an electronic data processing service bureau/organization in connection with keeping any Settlement Funds Account or Reserve Account.

2.10. Reserve Account. You understand that we may require you to establish a reserve account based upon you committing an Event of Default or upon receipt of your notice of termination of this Agreement (the “Reserve Account”). You understand that the amount you will be required to fund in this Reserve Account will be determined based on factors such as: (i) the amounts of previous settlements, Chargebacks, assessments and fines/penalties; (ii) the frequency and amounts of credits and adjustments; (iii) the value of any goods and/or services billed in advance of fulfillment; and (iv) the amount of any fees or discounts due along with any current or anticipated Card Organizations fees or fines. Upon receipt of notice from us, you agree to fund the Reserve Account as set forth in your notice; except, in instances of an Event of Default, you agree to fully fund said Reserve Account immediately. You agree to fund the Reserve Account through any combination of: (i) debits to your Settlement Funds Account and Current Account (and any other accounts held by us or our affiliates); (ii) deductions or off sets to any payments otherwise due to you; or (iii) your delivery to us of a letter of credit, issued or established by a financial institution acceptable to us. In the event you fail to fund the Reserve Account, we may fund it as set forth in subsections (i) and (ii) above. If funds in your Reserve Account are not sufficient to cover Chargebacks, adjustments, Merchant Processing Rate and other charges due from you, or if we have released funds in your Reserve Account, you agree to promptly pay us such sums upon request. In the event of termination of this Agreement, you agree to immediately establish a Reserve Account which will be held by FCL for the greater of 10 months after termination of your Agreement or for such longer period of time consistent with our liability for card transactions in accordance with the Card Organization Rules, defined in section 3. Amounts maintained in the Reserve Account may bear interest. We may, to the extent permitted by law and without notice, from time to time, set off, apply or transfer any and all sums standing to the credit of the Reserve Account in or towards the satisfaction of any indebtedness or liability you may incur to us under your Agreement.

2.11. Reserve Account Security. You irrevocably grant us a lien and security in and to any of your funds in the Reserve Account that we may require that you establish and fund as otherwise set forth in your Agreement. To this end, in addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, we are hereby authorized by you, at any time, and from time to time, without demand, but upon written notice to you, or to any other person (any such demand being hereby expressly waived), to set off and to appropriate and to apply any and all such funds against and on account of your obligations to us and our affiliates under your Agreement, whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured.

2.12. Special Reserve Account Levels. You agree that upon notice of your intent to terminate your Agreement, from the date of your termination notice through the actual date of termination and thereafter, you will maintain at a minimum, an amount equal to the sum of: (i) the total dollar amount of your Chargebacks; (ii) any reserves or letters of credit that you have on deposit with us; and (iii) our Merchant Processing Rate during the previous six months of the date of your termination notice, with such amounts to be held in your Reserve Account in accordance with your Agreement.

3. Card Organization Rules. The parties to this Agreement acknowledge that they agree to be bound by all applicable operating rules and regulations (the “Card Organization Rules”) of Fiserv Canada Ltd. (<https://merchants.fiserv.com/en-ca/?customer-center/getting-started.html>), Visa (visa.ca), MasterCard (mastercard.ca), Discover Rules and Regulations (see ARTICLE VII), Interac Rules (see ARTICLE VIII), American Express Rules (<http://www.americanexpress.ca/merchantguide>), UnionPay International (see ARTICLE X), any other payment card organization that is applicable to this Agreement (collectively, the “Card Organizations”) and including the Payment Card Industry Data Security Standards (“PCI DSS”) (www.pcisecuritystandards.org/) and any Card Organizations, network, or government agency rules related to the protection of consumer and transaction information security. The parties also acknowledge that the Card Organizations publish and make available their Card Organization Rules, bulletins, alerts and directives and agree that it is each party’s sole responsibility to review and comply with any such publications as may be applicable to them for compliance with the Card Organization Rules and this Agreement.

You acknowledge that you are familiar with the names, logos, symbols and trademarks (collectively, the “Marks”) as published by us and the Card Organizations and agree that you will prominently display standard decals, signs, service marks and other promotional materials as required by us and the Card Organizations. You agree not to alter any Marks, display one Card Organizations’ Mark more prominently, indicate that any Card Organization endorses your products or services or violate any other Rule or our requirements related to the use and display of any Mark.

3.2. Cardholder Documentation. You agree that you will only process (including imprinting, transmitting or depositing proceeds from) transactions for your own goods and services. You will ensure that every transaction receipt (or other evidence of Cardholder indebtedness) accurately describes the goods or services sold and delivered.

3.3. Delivery of Goods and Services. You agree that you will not process transactions related to your goods and services that you do not provide to the Cardholder at the point-of-sale (“Prepayment Transactions”) unless we have provided you with written consent to process such transactions. You agree to formally notify FCL (via the channels identified in section 3) and request approval from us, at least 60 days in advance of your intention to conduct Prepayment Transactions.

3.4. PCI Data Security. You agree that you, your employees, agents, representatives, subcontractors, providers of point-of-sale solutions or systems or equipment, and any other party to whom you may provide access to payment card data will comply with PCI security standards at all times.

- ii) encrypt stored data and data sent across networks.

- vi) regularly test security systems and processes.
- vii) maintain a policy that addresses information security.
- viii) restrict physical access to payment card data.
- ix) not to store or retain Card Validation Codes (three-digit values printed in the signature panel of most payment cards, and a four digit code printed on the front of an American Express Card).
- x) not to store or retain Magnetic Stripe data, PIN data or AVS data. Only Cardholder account number, Cardholder Name and Cardholder expiration date can be retained subsequent to transaction authorization.
- xi) to destroy or purge all Media containing obsolete transaction data with Cardholder information.
- xii) to keep all systems and Media containing Card account number, Cardholder or transaction information (whether physical or electronic) in a secure manner so as to prevent access by, or disclosure to any unauthorized party.

You agree you may be subject to ongoing validation of your compliance with PCI security standards, and we retain the right to conduct an audit at your expense, performed by us or a third party designated by us to verify your compliance, or that of your agents or third party providers, with security procedures and the Agreement.

You agree to notify us as soon as reasonably practicable and in no event more than 24 hours after becoming aware of (i) any suspected or actual data security breach in any of your systems or databases used to conduct or in any way process payment card transactions or to store payment card data, including websites or electronic links used to conduct payment card transactions, and (ii) any noncompliance by you with the PCI security standards. Such breaches shall include third party incursions that could in any way result in access to payment card transaction information, payment card account information or Cardholder information.

You must, at your own expense (i) perform or cause to be performed an independent investigation (including a forensics analysis) of any data security

breach of Card or transaction data, (ii) perform or cause to be performed any remedial actions recommended by any such investigation, and (iii) cooperate with us in the investigation and resolution of any security breach.

4. Confidentiality. The parties agree that, unless they obtain consent from the other party, each applicable Card Organization, the Cardholder and the issuer of the Cardholder's payment card, they will not use, disclose, sell, or disseminate any payment card information obtained in connection with a payment card transaction except for purposes of authorizing, completing and settling card transactions and resolving Chargebacks, retrieval requests or similar issues involving card transactions, other than as may be required for a court or governmental agency request, subpoena or order. Neither party will obtain ownership rights in any information relating to and derived from card transactions except as set forth in the Card Organizations Rules. The parties also agree not to hold each other liable for any disclosure of confidential information made pursuant to the terms of this Agreement.

4.1. Protecting Cardholder Information. Personal information means information about an identifiable individual as defined and limited by the Personal Information Protection and Electronic Documents Act ("PIPEDA" Canada) or similar, applicable provincial privacy regulation ("Personal Information"). Payment card information is considered Personal Information. You agree that you will not compile lists of payment card information or transaction information. You also agree to secure all Personal Information, including transaction receipts, contracts, rental/lease agreements and warranty information. The parties agree that securing Personal Information includes limiting access to select personnel (required for compliance with your obligations under this Agreement) and destroying such Personal Information in a manner that ensures that it is not readable, when no longer required for purposes of compliance with your Agreement.

4.2. Collection, Use and Disclosure of Personal Information.

You (and if necessary, each principal, guarantor or other individuals that have signed your Form) agree and consent to the fact that we may, from time to time, use your credit, financial and related Personal Information provided in connection with this Agreement and any update, renewal or extension of same for the following purposes: (i) evaluate current and ongoing credit worthiness; (ii) evaluate your eligibility for the Services and establish, administer, service, and collect in respect of the Services and enforce provisions of your Agreement; (iii) to share personal and credit information with and collect such information from our affiliates, agents, representatives, credit reporting agencies, businesses and financial institutions pursuant to the provision of the Services contemplated in your Agreement; (iv) to verify your identity including matching records or credit information; (v) to share Personal Information in connection with your Authorization, POS equipment (the "Equipment") sale/rental, automatic debit process and with third parties to register a security interest as contemplated in your Agreement; (vi) for detecting and preventing fraud and complying with anti-money laundering and terrorist financing regulations, including checking your identity against watch lists established by regulatory agencies or similar bodies in Canada and foreign countries; (vii) for evaluating the performance of our merchant portfolio; (viii) to allow our service providers to collect, use, store or process Personal Information on our behalf; (ix) to meet legal, regulatory, audit, processing and security requirements; or (x) from time to time, to determine your eligibility for and occasionally to communicate with you regarding additional products, services or business opportunities (you may withdraw consent for this purpose by contacting us at 1-888-263-1938). We may otherwise collect, use and disclose Personal Information as permitted or required by law. You also authorize us to obtain financial and credit information relating to you, from credit reporting agencies, businesses and financial institutions with which you make arrangements with, and references you have provided, in connection with our decision to provide the Services and monitor your financial and credit status. Additionally, you agree to authorize us to share information concerning your business with any of our agents and/or affiliates and applicable Card Organization, Card Organization members and credit reporting and debt recovery agencies in connection with the performance of the Services set forth in your Agreement. You understand that some of our affiliates or service providers may be located outside Canada, and your Personal Information may be transferred or processed outside of Canada, subject to legal requirements applicable to us and our service providers or affiliates, including those requirements set forth by foreign jurisdictions. We may also use your (and each principal guarantor or other individuals that have signed your Form) business and Personal Information and disclose

such information to parties connected with or involved in the proposed or actual financing, insuring, securitization, sale, assignment or other disposal of all or part of our respective businesses or assets (including, for example, your Agreement, accounts or amounts owing to us) for the purposes relating to the evaluation and/or performance of these transactions. Successors and assignees of our business or assets may collect, use and disclose your business or Personal Information as described in this section.

4.3. Authorization to Obtain Personal Information. You warrant that you have the necessary consent of your principals, guarantors and other individuals whose Personal Information we have obtained in connection with this Agreement for the purposes described above. For further information about FCL's Personal Information practices, you may obtain a copy of FCL's "Privacy Principles" available at the website address <https://merchants.fiserv.com/en-ca/> and/or toll-free at 1-888-263-1938. The consents contained in your Agreement will be valid for so long as required to fulfill the purposes described above. Authorized employees and agents of ours, that require access to your Personal Information will have access to your file, which will be accessible through our affiliates' merchant services facilities in the United States. If you wish to access or make corrections to your Personal Information in our possession, you may notify FCL as set forth in section 22.

4.4. Third Party Arrangements. Subject to the Card Organization Rules, the parties agree that if they make arrangements with a third party to collect, process or store Personal Information (including names, account numbers, Social Insurance Numbers, addresses, telephone numbers or birthdays), each party is solely responsible for ensuring such third party complies with Card Organizations, PCI DSS, network and our requirements related to Personal Information, including payment card and transaction information, confidentiality and security. The parties also agree that any third party arrangement will be documented with a written and executed contract, which includes obligations substantially similar to the ones in your Agreement regarding confidentiality, information security and PCI DSS. You further agree to provide our representatives reasonable access to your facilities and records for the purpose of performing any reasonable inspection and/or copying of your books and records.

5. Facility and Infrastructure. You acknowledge and agree that you are solely responsible for the implementation, maintenance and security of your locations, the Equipment used in processing transactions under this Agreement, communication lines, power supply services and all other facility and infrastructure costs.

6. Merchant Employee Responsibilities. You agree to ensure that all Equipment is monitored during and closed/turned off after business hours to minimize the risk of unauthorized use. You agree to develop security procedures and train your employees on them. Security procedures will include your use of employee shift logs (maintained for a minimum of 12 months), and directions/conditions for contacting us in the event your employees suspect that your Equipment has been lost, stolen or tampered with.

ARTICLE II. Card Transactions

The following sections summarize the procedures required for you to accept credit and debit cards issued by Visa, MasterCard, Interac, and any other Card Organization payment cards that you accept for payment of your goods and services.

7. Card Acceptance and Authorization. You agree to accept credit and debit cards issued by members of the Card Organizations identified on your Form. When a Cardholder or authorized user presents a credit or debit card for payment, you agree that you will perform the following tasks:

7.1. Fair Acceptance. You agree to: (i) sell your goods and/or services at the ticketed or posted price; (ii) not impose fees or special conditions not required or allowed by the Card Organizations Rules (including minimum or maximum transaction amounts); and (iii) not offer a discount unless clearly disclosed as a discount from the price available for all other means of payment.

7.2. Card Examination. You agree to swipe or imprint the card, or where applicable, permit cardholder to insert the chip card into a chip card reader or tap their card/phone/contactless form factor on the contactless reader, only to allow Cardholders to purchase your goods and/or services. You agree to: (i) inspect the card signature panel for signs of tampering or alteration (not applicable to chip and contactless transactions); (ii) verify that the signature on the card matches the

transaction record (not applicable to chip and contactless transactions); (iii) not require Cardholders to supply Personal Information (e.g., home/ business address or driver license number) as a condition for completing the transaction, unless instructed during the authorization process; (iv) not allow an individual, who is not the Cardholder, to use the card for purchases; and (v) not allow the use of a card to submit a transaction to refinance or transfer a previous debt or to pay for a dishonored cheque.

7.3. Transaction Authorization. You agree to obtain an authorization approval code (“AA Code”) for all transactions. You agree that failure to obtain an AA Code for a sales transaction may result in a Chargeback and/or the termination of your Agreement. AA Codes can be obtained through your Equipment, the voice response unit (“VRU”) or the interactive voice response (“IVR”) system. Any fees that may be related to authorizations will be charged as a “Request for Authorization Approval Code,” whether or not the transaction is approved. You understand that an AA Code only indicates the availability of credit on an account at the time the authorization is requested and does not warrant that the person presenting the card is the rightful Cardholder, nor is it a promise or guarantee that you will not be subject to a Chargeback or debit.

7.4. Transaction Referral. You agree that if you receive a referral response to an attempted authorization, you will not attempt another authorization on the same card through your Equipment. You further agree that you are responsible for all Card Organizations assessed fines, fees or termination of your Agreement for actions related (but not limited) to: (i) failure to obtain an AA Code; (ii) submitting a transaction after receiving a decline (even if a subsequent Authorization attempt results in an AA Code); or (iii) attempting to submit multiple /partial transactions or multiple-authorizations and transaction(s).

7.5. Manual Card Acceptance. If accepting card transactions manually or your Equipment is unable to read a card that you swipe or you do not have chip card enabled Equipment, you agree that you will obtain authorization from us for every purchase that exceeds your merchant floor limit (which we will provide you from time to time), using transaction forms supplied or approved by us. You understand that unembossed cards cannot be authorized manually and if accepted for payment, expose you to a higher risk of Chargeback liability. You agree that, if you choose to process card transactions manually, you must: (i) imprint the embossed information from the card and the merchant plate (your name and merchant number) onto the transaction record; (ii) verify that the signature on the transaction record matches the signature on the back of the card; (iii) provide a transaction record to the Cardholder; (iv) keep a copy of the transaction record for a minimum of 18 months (longer if required by local regulations); and (v) issue credit vouchers for refunds (if Cardholder is entitled) where the original purchase was made with a card.

7.6. Issuing Credit Vouchers. You agree that you are responsible for issuing credit vouchers to cover any refund, price adjustment or other money adjustment due to the Cardholder (other than any involuntary refund required by applicable law). You further agree that you: (i) will not return cash if a card was used in the original purchase; (ii) will process each refund or adjustment as specified in the applicable Card Organization Rules; (iii) may establish a policy limiting refunds or acceptance of returned goods, provided that it follows the refund/return procedures established by each Card Organization including the proper disclosure of such policy; and (iv) will not accept money from a Cardholder to effect a deposit to the Cardholder’s account.

7.7. Suspect Transactions. If the appearance of the card being presented or the behaviour of the person presenting it is suspicious in nature, you agree to immediately call the voice authorization centre (1-800-370-0466) and ask to speak to a code 10 operator for a “Code 10 Authorization.” You agree to answer all questions and follow operator’s instructions. If you swipe cards, you agree to confirm that the account number displayed on the Equipment and transaction record matches the number on the card. You agree that if the numbers do not match, you will not accept the Card for payment, EVEN THOUGH AN AUTHORIZATION CODE FOR THE MAGNETICALLY SWIPED CARD NUMBER MAY BE RECEIVED.

8. Submission/Deposit of Card Transactions. You agree that you shall present for payment only valid charges that arise from transactions between you and bona fide Cardholders. You agree to enter each sales transaction into your Equipment (unless your Equipment is not working), conduct, at least once a day, an end-of-day balance of the sales transactions for each piece of Equipment and electronically deliver transaction records

for all Card transactions, to be processed and settled, prior to the deadlines which you will be advised of from time to time. Failure to do so may result in non-compliance fines.

9. Transaction Settlement. You understand that we will only settle your transactions as specified in your operating procedures guide (the “Operating Guide” also referred to as Your Payment Acceptance Guide), which is provided as part of your FCL welcome kit. After presentation of your transactions, we will initiate an electronic funds transfer of applicable Settlement Funds from your Settlement Funds Account, to your Current Account. You understand and agree that while settlement will generally occur within two to three Business Days after the Business Day that you presented the transaction, we will not be liable for any delays in receipt of funds or errors in debit and credit entries caused by third parties, including any Card Organization or financial institution, but excluding our service providers and affiliates.

9.1. Settlement Calculation. You agree that we will generally settle card transactions based on gross sales, less credits/refunds, adjustments, the applicable Merchant Processing Rate when due, Chargebacks and any other amounts that you owe us.

9.2. Provisional Debit/Credit. You agree that all deposits, credits (and other payments) to your Settlement Funds Account and to your Current Account are subject to our final audit, Chargebacks and Card Organizations imposed assessments, fees and fines. You agree that we may debit/credit your Settlement Funds Account, Current Account and/or Reserve Accounts for any deficiencies, overages, fees, Merchant Processing Rate and pending Chargebacks and any pending Card Organizations assessments, fees and fines, including any pending PCI related fees, fines and/or assessments. We may elect to invoice you for any such amounts, net due 30 days after the invoice date or on such earlier date as may be specified.

9.3. Merchant Receivables. Upon our payment of all amounts owed to you, in connection with the processing of a card transaction, you agree to assign to us (and grant us a security interest in) all of your rights, title and interest in and to the amounts or receivables owed from the applicable Card Organizations or network organization, and further agree that we have the sole right to receive payment under such receivables. You agree to represent and warrant that you have the only claim, demand, defence or set off against such receivable except as authorized in writing by us. You further represent and warrant that you have no knowledge, nor have received any information that would affect the collection of the amount involved from the Cardholder.

10. Transaction Chargebacks. A Chargeback is a disputed card transaction that is returned to us by a card issuer. Upon notice of a dispute, you agree that it is your responsibility to resolve it directly with the Cardholder. If we receive a Chargeback notice, we will debit your Settlement Funds Account, Current Account, or Reserve Account for the amount of the Chargeback. In some cases, a card issuer may request a copy of the transaction record prior to initiating a Chargeback. We will forward these requests to you and deliver your response to the card issuer. You understand that you must respond to these requests within the time frames and manner stated. Due to the short time requirements imposed by the Card Organizations, your failure to timely respond will be communicated to the card issuer and may result in a Chargeback(s) as well as Card Organizations related costs or fees. You agree that comprehensive Chargeback procedures are published by each Card Organization and the following is intended to serve only as a general guideline for compliance:

10.1. Document Request Procedures. To address a card issuer’s transaction record request, you should: (i) make a legible copy of the transaction record, centered on a letter size sheet of paper (one transaction record per page); (ii) write the case number on the copy; (iii) include copies of hotel folios, car rental agreements etc. that may be applicable to the disputed transaction; (iv) include a copy of the credit voucher, if applicable; and (v) fax or mail the copies to the number/address on the request. You understand that letters are not acceptable substitutes for transaction records. If the information you provide is both timely and, in our sole discretion, sufficient to warrant representation and/or reversal of the Chargeback, we will do so on your behalf. You understand that representation and/or reversal are contingent upon card issuer/Cardholder acceptance under the applicable Card Organization Rules.

10.2. Chargeback Reasons. You understand that at the time of a transaction, if you do not follow proper procedures, the transaction may be subject to Chargeback. The following outlines the most common types of Chargebacks, categorized into seven broad groups: (i) “Card Authorization Issues” including no account number

verification, full authorization not obtained, expired card; (ii) "Cancellations and Returns" including credit not processed and cancellation of a recurring transaction; (iii) "Fraud" including counterfeit transaction, unauthorized or fictitious account number; (iv) "Non-Receipt of Goods and Services"; (v) "Processing Errors" including late presentation of a transaction record, incorrect account number, code or amount; (vi) "Quality of Goods and Services" including defective goods; and (vii) "Non-Receipt of Information" including the codes: "transaction document not received" or "document was illegible."

10.3. Europay/MasterCard/Visa ("EMV") Chip Card Compliance.

You agree that if you choose not to upgrade to Equipment that has been certified EMV chip card compliant and enabled, you may be liable for payment of any transactions, submitted for Chargeback, by the applicable EMV chip card issuer(s), due to lost, stolen and never-received-issue fraud claims.

ARTICLE V. Service Fees and Charges

18. Merchant Processing Rates. You agree to pay the fees and charges set forth on your Form and any alternative price schedule as agreed to by the parties. You understand that the merchant processing fees and charges that you owe us for the Services that we provide to you (the “Merchant Processing Rate”) are calculated one of two ways. Under both methods, you understand that your Merchant Processing Rate is exclusive of any applicable GST, VAT and other federal and provincial sales, use, social service, harmonized and similar taxes, which are your sole responsibility. Regardless of how your Merchant Processing Rate is calculated, such rate is composed of the following three components: (i) our “Processing Fee,” which is based on risk factors like your representations of your method for doing business, anticipated transaction amount(s), expected annual transaction volume and other factors; (ii) “Card Organizations Interchange Rates,” based on type of card and card program (e.g., “MasterCard Electronic – Consumer Programs”); and (iii) “Card Organizations and Other Fees and Assessments,” which include cross-border fees and United States dollars conversion costs.

18.1. Merchant Processing Rate Calculation Method 1: For each transaction, you are billed separately for each of the three cost components listed in section 20.

18.2. Merchant Processing Rate Calculation Method 2: A standard Merchant Processing Rate is developed specifically for you based on a combination of the three cost components listed in section 20 and our assumption that your transactions will qualify for certain reduced interchange levels set by the applicable Card Organizations. If a transaction fails to qualify for such reduced interchange levels, then the applicable Card Organizations will downgrade the transaction and we will process such transaction at the higher applicable interchange level. In this event, you understand that you will be subject to interchange downgrade fees (also referred to as Interchange adjustment/Bill-Back/Interchange differential) and any applicable Non-Qualified Surcharge (as set forth on your Form), and agree to accept said fees and Surcharge which will be billed back to you and reflected on your monthly statement.

18.3. Merchant Processing Rate Adjustments. Subject to your rights under section 23.1, we may adjust your Merchant Processing Rate: (i) if your actual annual Visa and/or MasterCard Credit volume is lower or the average Visa and/or MasterCard Credit transaction size is higher by 15% or more, or if you materially alter your method of doing business (e.g., there is a significant increase in CNP transactions or a change in the merchant category code (“MCC”)); and (ii) to reflect increases or decreases in Card Organizations Interchange Rates or Card Organizations and Other Fees and Assessments that we pass through to you.

You also agree to provide such other financial statements and information concerning your business and your compliance with this Agreement as we may reasonably request.

19.2. Error Resolution. You agree to notify FCL in writing of discrepancies or billing errors within 45 days of the date of the applicable statement or invoice. If you fail to notify FCL within the 45 day period, you will be deemed to have accepted the fees and charges set forth in the applicable statement or invoice and we will have no obligation to investigate.

20. Early Termination and Fair Compensation. You acknowledge and agree to pay us the amounts on your Form and calculated in subsections 20.1 and 20.2 below: (i) if you terminate this Agreement prior to the expiration of the applicable term; or (ii) if this Agreement is terminated due to an Event of Default. Any recovery pursuant to this section shall in no way limit our right to receive Equipment payments or any other payments due from you pursuant to your Agreement. You agree to pay said fair compensation to us within 15 days after your receipt of our calculation of the amounts due.

20.1. Merchants With Annual Card Volume Less Than Or Equal To \$5,000,000 (this threshold is subject to change at our discretion). You agree to pay us \$500 per location as well as the fees set forth on your Form in the event of early termination of this Agreement.

20.2. Merchants With Annual Card Volume Greater Than \$5,000,000. You agree to pay us an early termination fee equal to 80% of the product of: (i) the average net monthly Merchant Processing Rate, as calculated in section 20.3; multiplied by (ii) the number of months, including any pro rata portion of a month, then remaining in the initial term or any renewal term, as applicable.

20.3. Average Net Merchant Processing Rate Calculation. The average net monthly Merchant Processing Rate shall equal one-twelfth of the gross Merchant Processing Rate payable pursuant to your Form, less applicable interchange fees and assessments due pursuant to this Agreement during the 12 months immediately preceding the date on which: (i) FCL received notice from you of your intent to terminate this Agreement early; or (ii) we learned of your early termination in violation of this Agreement; or (iii) we terminate this Agreement early pursuant to section 23.3 (whichever produces the higher amount). If this Agreement has been in place less than 12 months, the estimated average net monthly Merchant Processing Rate shall equal the aggregate gross fees paid hereunder by you, divided by the number of months this Agreement was effective.

- (a) We give you access to tools that you can use to help you meet your PCI DSS compliance obligations. PCI Rapid Comply provides access to online PCI DSS Self-Assessment Questionnaires (SAQ) to validate PCI data standards. If an internet scan is required to complete the SAQ, you will have access to such scanning services. PCI Rapid Comply does not include a Liability Warranty.
- (b) Your use of PCI Rapid Comply Services does not (a) guarantee compliance with any laws, Card Organization Rules, or applicable standards (including the PCI DSS), (b) affect your obligation to comply with laws, Card Organization Rules, and applicable standards (including the PCI DSS), or (c) guarantee protection against a Data Security Event. We make no promise that use of PCI Rapid Comply Services will detect every vulnerability on your system, or that our vulnerability assessments, suggested solutions, or advice are error-free or complete. You agree that we are not responsible or liable for the accuracy or completeness of any information provided by us. Your use of PCI Rapid Comply Services involves inherent risks, including system performance, availability, and data corruption. You have sole responsibility to backup and/or otherwise protect your data, systems, and service.
- (c) You further acknowledge and agree that your use of PCI Rapid Comply Services does not guarantee the security of your IP addresses or that your systems are secure from unauthorized access. You are responsible for establishing and maintaining your own security policies and procedures, and for compliance with the Card Organization Rules and security standards, including any obligation to notify a Card Organization and/or us of any suspected breach of your systems or any suspicious transactions or fraudulent activity. You are responsible for any fines or penalties imposed by any Card Organization any other expenses and liabilities pursuant to the Agreement. In the event of a suspected breach of your systems or any suspicious transactions or fraudulent activity, you authorize us to share the details of any questionnaire or compliance report with the Card Organizations, and grant us and our vendors the right to access and perform a scan of the IP addresses identified within your profile. You agree and authorize payment for the additional scan. You further agree to cooperate with an investigation into such matter to include complying with the Card Organization and us pursuant to the terms of the Agreement.

In addition to your obligations under the Agreement to comply with all laws, you are solely responsible for monitoring legal developments applicable to the operation of your business, interpreting applicable laws and regulations, determining the requirements for compliance with all applicable laws and regulations, and maintaining an on-going compliance program.

2. Fees.

- (a) **PCI Rapid Comply Services Fee.** The fee for access to PCI Rapid Comply Services is provided on your Card Acceptance Form. We may increase your fees for PCI Rapid Comply Services as provided in your Agreement.
- (b) **Compliance Fee.** Clients opting out of the PCI Rapid Comply Services will be charged a Compliance Fee. The Compliance Fee covers our costs for systems maintenance and upgrades, mandatory IRS reporting, as well as costs associated with our required tracking and reporting of your PCI compliance. We will provide a monthly vulnerability “scan,” if required, of up to 5 IP addresses. Additional required scans are your responsibility. Payment of the Compliance Fee does not discharge your responsibility to maintain PCI DSS compliance at all times.
- (c) **Non-Receipt of PCI Validation Fee.** You will be charged a monthly Non-Receipt of PCI Validation fee unless, within 60 days from the date this Agreement is submitted with your signature and on an annual basis after that:
 1. you obtain any quarterly or other periodic PCI-approved vulnerability scans that the Card Organization Rules require you to obtain (for example, if you accept Internet transactions);
 2. you remediate vulnerabilities identified by your scans in ways that enable you to comply with the Card Organization Rules and applicable standards (including the PCI DSS); and

3. you confirm that you are following certain data security protocols by (i) completing an online self-assessment questionnaire, which we will make available to you, regarding your systems and payments acceptance practices (SAQ), or (ii) using PCI-approved methods, providing us with other written evidence of your PCI DSS compliance.

If you materially change the systems you use to accept payments and you wish to avoid paying the monthly Non-Receipt of PCI Validation fee, you will need to promptly complete a new SAQ or (using PCI-approved methods) promptly provide us with other written evidence of your PCI DSS compliance.

3. License Grant. Subject to the terms of this Agreement, we hereby grant to you a non-exclusive, non-transferable, non-assignable revocable sublicense to (i) access and use the PCI Rapid Comply Service solely for the benefit of you and only on a single computer or computer network owned or licensed by you, (ii) access and use the PCI Rapid Comply Service solely for its intended use and (iii) use all applicable end user documentation.
