

Quickly onboard and electronically pay customers and employees

The world has changed. Technology and consumer demands have accelerated digital payment adoption. Leverage our exclusive disbursement options and built-in compliance and security tools to deliver fast, safer, cost-effective payouts to your customers and employees how and when they want.

Solution benefits

Consumer Demand
Cater to 70 percent of U.S. consumers who prefer instant payments¹

Revenue Potential
Forty-four percent of U.S. consumers are willing to pay for an instant payment¹

Faster Payments
Deliver near real-time payments in five seconds or less²

Stronger Security
Send tokenized payment data versus paper checks by mail

Customer Service
Digital disbursements can reduce payment status inquiries by 25 percent³

Competitive Differentiation
Payout customers when they want – on weekends, holidays and after-hours across the U.S. and Europe

Routing Optimization
Single API connection to domestic/international networks, prepaid cards and wallets

Lower Cost
Digital disbursements are 60 percent less expensive than traditional checks and wires⁴

Gain a competitive advantage with exclusive payout options and partnerships

Offer your payees unmatched choice by leveraging our direct connections and extensive partnerships with top-tier banks.
