

ELECTRONIC PAYROLL DELIVERY SERVICE

# More savings, more benefits, more security

Ensure a better payday for your employees

With the Money Network Electronic Payroll Delivery Service, we can help you achieve 100% electronic payment of wages<sup>1</sup>, simplify and optimize payroll processes, and reduce administration costs.

Employees participating in the Money Network Service benefit from a solution that enables them to receive their pay electronically, easily manage finances using the Money Network Mobile App<sup>2</sup>, and offers them multiple no-cost<sup>3</sup> options for accessing wages. Money Network enables electronic pay programs nationwide for more than 2,200+ clients and ~2 million cardholders.

**\$23 Billion**

funds delivered annually<sup>4</sup>

**2 Million**

Active Cardholders<sup>4</sup>

**2,200+**

Clients across various industries<sup>4</sup>

Your employees and contract workers benefit from a solution that helps them easily manage their finances. The Money Network Service includes a Money Network Card, Money Network Checks and an innovative mobile app<sup>2</sup> with features like:

**Piggy Bank**  
**Remote Check Deposit**  
**Digital Wallet**  
**Person-to-Person Transfers**  
**Budgeting and Spending**

## Help your business:

- Achieve 100% electronic pay across your organization<sup>1</sup>
- Quickly set up new employees with instant-issue cards
- Reduce payroll administration and distribution costs
- Ensure prompt disbursement and access to wages for participating employees
- Improve payroll security and control
- Deliver uninterrupted pay during a disaster or crisis
- Access detailed information on account status, funding, registration and more with our flexible online tool

<sup>1</sup>Employers in New York and New Hampshire must offer a traditional paycheck option

<sup>2</sup>Standard message and data rates may apply.

<sup>3</sup>While this feature is free, certain transaction and service fees may be associated with the use of your Money Network Card. See your Fee Schedule for more details.

<sup>4</sup>Based on Money Network data.

## Help your employees:

- Manage finances anytime, anywhere with the Money Network Mobile App<sup>2</sup>
- Gain easy access to wages on payday
- Pay for virtually anything without the need for carrying cash
- Set aside funds with the Piggy Bank feature
- Access cash at 86,000+ surcharge-free ATMs
- Safely access and manage money without the risk of incurring non-sufficient funds (NSF) fees
- Cash Money Network Checks for free at 6,000+ participating locations

## Program options:

- Instant Payment Check – Provide termination pay, off-cycle pay and short pay immediately to an employee
- Inventory Management Service – Maintain Money Network Welcome Kit inventory levels through an outsourced auto-replenishment system
- Direct Check – Create and distribute an “employer-issued paycheck” electronically to pay employees not participating in the Money Network Service
- Pay Stub Portal – Provide pay stub information electronically to employees through text message, interactive voice response, web or email
- Earned Wage Access – Empower your workforce with free access to a portion of their earned pay after each shift. No cost to you, no cost to employees

---

“We’ve all but eliminated the \$90,000 a year that we were spending on shipping. We’ve also eliminated the cost of the checks themselves. And our payroll and HR people are no longer trying to locate or reissue lost checks, so there are savings in many areas.”

**Payroll Manager at Large Provider of Skilled Nursing and Rehabilitative Services in the U.S.**
