

ELECTRONIC PAYROLL DELIVERY SERVICE

# More savings, more benefits, more security

Ensure a better payday for your employees

With the Money Network Electronic Payroll Delivery Service, we can help you achieve 100% electronic payment of wages<sup>1</sup>, simplify and optimize payroll processes, and reduce administration costs.

Employees participating in the Money Network Service benefit from a solution that enables them to receive their pay electronically, easily manage finances using the Money Network Mobile App<sup>2</sup>, and offers them multiple no-cost<sup>3</sup> options for accessing wages. Money Network enables electronic pay programs nationwide for more than 2,200+ clients and ~2 million cardholders.

## Benefits for Employers:

- Lessen exposure to paycheck fraud and associated costs
- Achieve 100% electronic pay across your organization<sup>1</sup>
- Reduce payroll administration and distribution costs
- Quickly set up new employees with instant-issue cards
- Ensure prompt disbursement and access to wages for participating employees
- Deliver uninterrupted pay during a disaster or crisis
- Access detailed information on account status, funding, registration and more with our flexible online tool

“ We’ve all but eliminated the \$90,000 a year that we were spending on shipping. We’ve also eliminated the cost of the checks themselves. And our payroll and HR people are no longer trying to locate or reissue lost checks, so there are savings in many areas.”
