

Take your business everywhere with Clover Go

Run your business wherever your customers are with the Clover® Go mobile Point-of-Sale (POS) system. Clover Go lets your customers pay the way they want to – and enables you to track your sales in real-time, from anywhere on your mobile phone or your tablet.

Never miss a sale

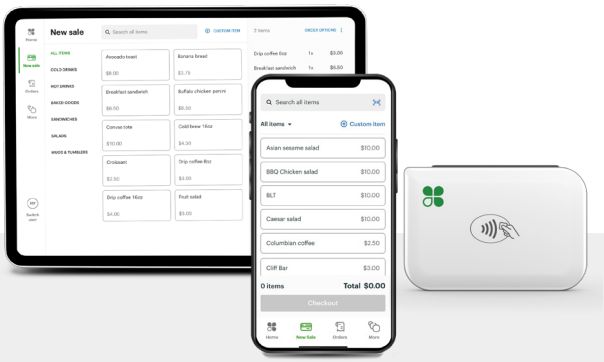

Accept all major credit and debit cards, contactless payments, checks and cash with your mobile device – with or without an internet connection.

Run your business from anywhere

Run your business and track your sales in real-time from anywhere.

Be safe and secure

Control access with roles and permissions, fingerprint login and two-factor authentication. All transactions are encrypted to help protect your customers' data and your business.

Clover Go consists of a free app and an optional reader that connects to your mobile device.*

Clover Go App
allows you to more securely key in or scan card information with your mobile device and track your sales. Available for Apple iOS orAndroid devices

Clover Go Reader
add this portable reader for insert or contactless payments with NFC-chip-enabled cards and mobile wallets such as Apple Pay and Google Pay. The Clover Go reader is small and lightweight measuring 3.17 in x 2.21 in x 0.46 in and weighing 2.3oz.

*A Clover merchant account is required to use Clover Go. Don't have a Clover merchant account? Contact your Sales Executive or Relationship Manager.

Accept payments and track your sales with your mobile phone or tablet.

Accept payments anywhere

Take payments anywhere with your mobile device and an optional, compact reader.

Do business online or offline

Clover Go works with or without an internet connection so you never miss a sale.

Track sales in real-time

An interactive sales screen provides a snapshot of daily sales, top-selling items and individual employee sales performance over time.

Send paperless receipts

Electronic receipts can be emailed or sent by text.
