Clover Station Solo

clover from **fiserv.**

Accept payments and manage your business with Clover Station Solo

A powerful, all-in-one merchant point-of-sale (POS) device

Clover Station Solo provides the power you need to process customer payments, print receipts, track sales transactions, and run Clover's software to manage your business.

The convenience of all-in-one

Accept payments in-person or over-the-phone, process refunds, print receipts and access the Clover software you need to manage your business.

The power to run your business

Runs on a high-performance chip and the latest operating system to give you the speed you need.

Security built-in

Control access with roles and permissions, fingerprint login and two-factor authentication.

A powerful POS system to accept payments and run your business

- Accept customer card payments with the card insert and swipe slots integrated into the screen

- Take payments over-the-phone by keying in card information in Virtual Terminal

- Print receipts with the included printer

- Manage orders, inventory, employees and other parts of your business with Clover Dashboard

Clover Station Solo

Clover Station Solo is a high performance POS system to manage your business and process payments.

Technical Specification

- High-performance Qualcomm 660 chip and Android 10 operating system for fast performance
- One 14" merchant-facing display with a 1920x1080 resolution that tilts to accommodate different heights
- Supports card swipe and insert
- Connectivity through wired Ethernet, Wi-Fi 802.11 a/b/g/n/ac Dual-Band 2.4 GHz/5 GHz or LTE
- Includes a Clover receipt printer

Need a powerful POS system with a customer-facing screen?

Consider Clover Station Duo, a two-screen Clover Station device with one screen for the merchant, a second screen for customers, a receipt printer and access to Clover software.
